

United Kingdom World Seido Karate Organisation

Technique before Strength; Spirit before Technique

Dear Parent,

Junior and Youth Tournament **Saturday June 26th at the** **Wycombe Judo Centre** **Barry Close, HP12 4UE, Bucks**

We will be holding a tournament in June to involve ALL our under 16 year old Seido students.

Your son/daughter will be eligible to take place and we will shortly be giving application forms for entry. There is a lot of planning to do for the event.

The students will be able to enter:

Technique shiai – This is for Under 9s white belts up to advanced blue belts, putting together their own techniques to demonstrate their imagination, focus, balance and power – really fun for them

Kata – this is demonstrations of the attack and defence patterns that Blue belts and above practice for their grade

Kumite – this is for students who are Green belt and above and is points fighting with no face or head contact whatsoever allowed.

Costs will be £6 for one event; £8 for two events. The spectator charge will be £4.00. Under 16s £2 (under 5s free). Programme included.

Additionally ALL children will be part of a **Seido demonstration** to display their learning skills and they will be working on this before the event.

It will be an exciting time for your son or daughter and of course they will welcome your support. *Put this date aside now and wait for further details and please encourage participation.*

Seido students from High Wycombe, Lacey Green, Tylers Green, Fairford Leys, Dover, Fulham, Chiswick, Padstow and some schools and will all participate on the day and ALL entrants will get a certificate.

Medals for 1st; 2nd and 3rd places will be awarded. There will be a Tournament Winners Award for the individual and the dojo that acquires the highest points on the day. There will also be a “spirit” award.

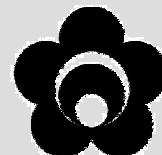

So please support and encourage participation. We will work out transportation to the venue at each dojo and we will be in touch again soon.

Best wishes,

Jun Shihan Roger Thyer-Jones
